## WE DON'T WANTYOU, THE BUNCH SAYS

Peewee, Kinky, Fussy and Curly Have No Use for Real Republicans.

SAY TO TAFT AMERICANS, "WE DON'T NEED YOU"

"We Are the Real Thing in Utah: Just Watch Our Smoke."

"The Federal Bunch and Harry Joseph do not want the American voters in Utah to vote for Taft," said the Prominent Politician to the Stroller on Wednesday. "Perhaps the national committee may not view it that way," he continued. "There has been a time when one electoral vote elected a President of the United States. While there is hardly a probability of such a condition arising again, nevertheless it is

responsible.

"Four years ago when Roosevelt was a candidate the Republican party managers felt the need of the three electoral votes from Utah and to that end sent an emissary to Salt Lake City for the purpose of making a deal with the band of 26 for the delivery of the state to the G. O. P., in return for which the administration was to do all in its power to aid Apostle-Senator Reed Smoot retain his seat in the Senate of the United States. The G. O. P. wanted the electoral vote of Utah. The goods were delivered upon the part of both parties to the cempact.

Will Not Stand Hitched.

"In view that there were enough voters set apart to carry out the deal four years ago, the Federal bunch, who now are the direct agents of the band of 26 in controlling the political affairs of Utah, have concluded that the same result can be brought about and that the state is solid for Taft. This bunch will discover later on that the voters will not stand hitched.

"But this Federal bunch and Harry Joseph will discover a little later that there is a revolt in their party that cannot be suppressed. The scales have fallen from the eyes of many Utah voters. No longer will they be led like cattle to the shambles. These voters are thinking for themselves. The polls give them opportunity to teach a lesson and they intend doing it.

"Twelve thousand voters in Salt Lake City gave the band of twenty-six an object lesson last year. The effect of that lesson has added thousands more to that twelve thousand. Within the last month voters in Salt Lake City taught the band of twenty-six another lesson. The voters will profit by this lesson. The voters will profit by this 'It is certain that before the day for the November election that the band of twenty-six will have the Federal bunch and Harry Joseph running

Gave Snap Away.

"When John Q. Critchlow stated to the meeting that Justice Straup of the Supreme Court, who had been elected president of the club, would decline to accept, as it would place him in an embarrassing position, Harry Joseph was on his feet in an instant and blurted out. "Well, we've got an executive committee, and will make whoever we please president." This gave the snap away, and it disclosed the fact that the Federal bunch knew that Judge Straup would decline, but they would prostitute him, place him in an embarrassing position in order to put in a man as president whom they had already selected. This Federal bunch has no regard for anybody but its own membarrasing.

Well-Known Mining Man Says He Had Pleasant Trip to Foreign Lands.

John Dern, the well-known mining man, arrived here Tuesday night with his wife and daughter and Mrs. Commingham, after a four months' tour of Europe. Mr. Dern sald that he could say little or nothing about the business-situation in the east, since he had stopped only a day in New York, and the trip had been purely for pleasure. He said that every member of the party was feeling well and had enjoyed the trip immensely. They had visited Holland, Germany and Austrha and passed four months of delightful summer in seeing the sights of the cities there and enjoying the strangeness of the foreign countries.

Mr. Dern said that there were no special incidents in his trip. He stopped for a while at his old home in Frement, Neb., on his way back to Sait Lake City, and found the farmers prosperous and pleased at the excellent crops which were everywhere in evidence. He said that the condition of the farmers and the business men there appeared to be eminentic. men there appeared to be eminently

LOS ANGELES, Sept. 2 .- David Keith, president of the Silver King mine, who is in Los Augeles on a pleasure trip, spoke today in glowing terms of the up-

ward tendency in business conditions. "I have been in Seattle during the past month and was greatly surprised at the unusual industry exhibited in building unusual industry exhibited in building operations at that city. I make this trip quits often and am in a position to observe any sudden acceleration in the business pace. It looks to me as though the financial depression of a year ago has not only reached deal level, but business is now on the upward grade. I have not been in Los Angeles long enough to note any change as yet, as I only came this morning, but I have no doubt that the same conditions prevail here."

Army Maneuvers Were Entirely Successful, and Troops Are in Splendid Condition.

The Fifteenth infantry returned to Fort Douglas from Camp Emmet Crawford at Fort Russell, Wyo., Wednesday night, after an absence of over aix weeks. The officers and troops returned in splendid health, bronzed and seasoned, after their participation in the august army maneuvers. Wives and sweet-hearts and many citizens were at the Oregon Short Line depot to greet the

hearts and many citizens were at the oreson Short Line depot to greet the soldiers on their return.

About 650 officers and men left Salt Lake City August 15, but only some 570 men returned, about 160 having been discharged during their stay in camp. The Fifteenth marched from Colorado Springs about two weeks. A month was spent in camp during the maneuvers and the practical experience gained in the field was valuable training to the men.

Colonel Scott, who is in command of the regiment, returns in excellent health. The commanding officer was selzed with sickness during the maneuvers and had to return to Salt Lake, but upon his recovery he rejoined the regiment in camp and was tendered a magnificent ovation by the men on his return.

Train Was in Three Sections.

The regiment left camp on Tuesday morning, traveling to Sait Lake via the Union Pacific and Oregon Short Line. They traveled in three sections. The trip was made in splendid time and without a mishap and every man returned in the pink of condition. Two ambulance wagons from the fort were at the depot awaiting the arrival of the troops, but it was not necessary to requisition them.

The first section arrived in Zion at 2:30 p. m., carrying about 200 men. Hairan hour later the second section came in conveying all the baggage and two coaches. A few minutes later the third section steamed into the depot, carrying about 200 men. Just as soon as the troops arrived on each they formed in marching order and started on foot for Fort Douglas. A quartermaster's detail was left to unload the wagons, animals and camp equipment, this under the direction of Captain Savage. There were some 32 animals, fourteen wagons and considerable camp material to unload, but this was speedily and orderly done, and today the regiment will get down to the routine of fort life.

Noteworthy Feature of Train Upon Which Eugene V. Debs Is Traveling.

A noteworthy feature of the Socialis party's "red special" train is that the nanagement has secured the right to carry as many passengers as the train will hold, from place to place. The reuntrip from ocean to ocean, taking from now until election day, costs each traveler \$500. When the train passes through Salt Lake City, at 11 a. m. on Labor day, Monday, September 7, those who secure free tickets from the secretary's office, 14 Eagle block, can board the train, pay 5 cents a mile, and ride as far as they like at that rate.

cents a mile, and ride as far as they like at that rate.

They may go to Ogden and back again with the train at 2 p. m., and thus take in the Labor day procession at Ogden and be in time for the Debs meeting in Liberty park in the afternoon. Or when the "red special" pulls out of Salt Lake City at 10 p. m. after the evening meeting, any one who has procured the free ticket from the secretary can get aboard and travel to Los Angeles or San Francisco, and from there to Portland and Spokane and back again, and all at a cost of 2 cents a mile only.

The design of this is to fill the train with people who want to hear Debs speak and transport them from the small towns on the way to the larger cities where the lectures will be given, and by this means their fare will cost them much less than by ordinary travel.

## CONTRACT LET BY COMMERCIAL CLUB

Raleigh & Harmon's Bid for **Excavating the Foundation** Is Accepted.

WORK WILL PROCEED AS RAPIDLY AS POSSIBLE

Ware & Treganza, the Architects. Have Changed the Plans to Some Extent.

After many weeks of consultation and careful consideration by the committee which has in charge plans for the new Commercial club home, the contract for the excavation of the foundation of the building was let Wednesday to Raleigh & Harmon, contractors, and work will be attracted at once. At the regular meeting of the board of governors, the building was let we require the committees report that work be proceeded with at once, the preliminary work for the city to be taken up by the committees at a cost not to exceed \$2000. After many weeks of consultation and committee was invited to meet with the board according to arrangements made during a meeting of the committee Tues-

during a meeting of the committee Tuesday.

W. J. Halloren, president of the club, said Wednesday afternoon that the purpose of the letting of the contract at this time was to start work at ence, and that, so far, the plans as accepted were more or less in the rough and only such details of the final plans were accepted by the building committee as would permit the contractor to proceed with the excavation. Proceeding With Plans.

W. E. Ware, of Ware & Treganza, said Wednesday night that the firm was proceeding with the plans as rapidly as possible. "To to the present time," said Mr. Ware, "the building committee has been making many changes in the plans and everything we have done has been more or less in the rough. We shall now proceed to draw up final plans and it will take some time to do this. In addition to the arrangements for a convention ball in the basement and an exhibition room there, it has been found advisable to change the entrance of the building to the north side, instead of the east side, as was originally intended."

This will bring the entrance on Exchange place instead of on Cactus street, as was formerly arranged. Many other details of the original plan also have been changed, and it is probable that intal details will not be worked out for some

time.

Members of the committee and of the board of governors say that they are proceeding slowly and that no detail will be omitted that will conduce to make the building one of the features of the city and a measurement to the business enterprise of the intermountain metropolis.

### WILL PLACE STATE TICKET IN THE FIELD

Record for August of This Year Horses in Buffalo Bill's Show American Party Will Hold State Convention on Sept. 28: Committee in Session.

Americans will wage an aggressive campaign throughout Utah this fall.

This conclusion was reached at a meeting of the State committee at the Atlas block Wednesday afternoon. Those present were Willard F. Sayder chairman; P. J. Daly, secretary: Senator Frank J. Cannon, William Nelson, Ben E. Heywood, J. E. McGinty, H. G. McMillan, A. J. Weber, Alien T. Sanford, H. J. Dlolinny and Frank I. Sefrit.

Many important features of the campaign were discussed in a meeting covering two hours.

The date of the State convention was fixed at 8 o'clock Monday evening, September 28, at the Sait Lake Theater. This will follow the American county convention and will take the form of a general ratification of both the local and State tickets. It is expected that the meeting will be one of the greatest of the campaign in Utah and from it will issue a most vigorous contest for the final redemption of the people of Utah from the un-American rule of the priesthood of the dominant church.

Wednesday's State committee meeting was carnest and effective. A decision was reached to place in the field a complete State ticket, which will enable Americans in every county in Utah to register their disapproval of the methods of the members of the Federal clique who are operating inner the instructions of their ecclesiastical superiors.
